Amber Brandhagen Named Chair of NAI Global 2023 Women's Alliance

Redlands, CA– June 12, 2023 Amber Brandhagen, COO/Principal, NAI Global Wireless, was named Chair of the NAI Global Women's Alliance. NAI Global is a leading global commercial real estate brokerage firm.

"We are very pleased to have Amber in this role," said Lindsay Fierro, SVP, Operations of NAI Global. "The success of NAI Global Wireless is a testament to her leadership skills. The members of the NAI Global Women's Alliance are very fortunate and will benefit from her experience and leadership."

The NAI Global Women's Alliance is a council that allows the women of NAI to easily come together to celebrate each other while driving commercial real estate services worldwide by forming powerful connections throughout the company. We welcome principals, managers, agents, marketing directors, property managers and so on. It fosters and promotes activities, education and communication that elevate the level of engagement and productivity of our women professionals and the organization at-large.

"I'm honored to have the opportunity to be the Committee Chair of the Women's Alliance. I look forward to bringing the women of NAI together to collaborate, share wins and challenges, promote best practices and have a platform where we feel supported and recognized," states Amber Brandhagen. "There's so much to learn from one another and the opportunities are endless when we put our heads together. I'm excited to see where our group goes in the coming years."

Mrs. Brandhagen has 9 years of commercial real estate experience and is the COO and Principal of NAI Global Wireless. She has completed in excess of \$200 million in lease sales and related transactions throughout the United States and manages approximately \$50 million of real estate assets.

In addition, Mrs. Brandhagen facilitates the real estate process from initial contact through the transactions closing and account close out. She manages contract administration, due diligence, marketing, social media and data management.
