## RECREATION & PARK DISTRICT

### Fair Oaks Testimonial

In 2019, NAI Global Wireless assisted Fair Oaks Recreation and Park District in regard to a lease agreement with Global Signal Partners, (Crown Castle). David and Amber were able to obtain above market terms and made sure the lease was in the best interest of the District.

We were so pleased with the outcome we have hired them again to complete an American Tower amendment. This deal has been more complicated but David has been able to push their rep and have all parties come to agreeable terms and conditions we're all happy with.

Fair Oaks highly recommends NAI Global Wireless for all telecom related issues.
